3. **Select the Files to Upload:** Once the SharePoint file request page opens, click on the "Select files" button. This will open a file explorer window on your computer.
4. **Choose the Files:** Navigate to the location on your computer where the files you want to upload are stored. Select the files by clicking on them.

Once the file is selected, they will appear on the upload page. If you need to add another file, click on the “Add more files” option.

5. **Teacher name:** Fill out the required First Name and Last name boxes with the teacher submitting the videos.
6. **Confirm the Upload:** You can then click the Upload button. You will see an upload progress bar while your files upload. Once your files have successfully uploaded, you will see a confirmation message on the page. This message will indicate that your files have finished uploading.

7. **Close the Page:** You can now close the SharePoint file request page.

If you have issues uploading your video submission, please email info@cna.catholic.edu.au
